Subject: Work Assignments of

25X1A

Gentlemen:

During my recent visit to Washington, I discussed with you that [Redacted]
[Redacted] had been separated from your organization and has now been
an employee of [Redacted] orporated for the last year and a half. Prior to
[Redacted] I agreed with you that he would not interact
directly with any part of your organization for one year. We have ad-
hered fully to this agreement and now request that this restriction be
removed.

[Redacted]

25X1A

We believe that after a year and a half that no potential
conflicts of interest exist with [Redacted] interfacing directly with your
organization. However, we are prepared to avoid the appearance of potential
conflicts as well. Since [Redacted] last assignment with your organization
was with the activity supported by [Redacted] any lingering concern of
potential conflicts of interest would be in that area. Accordingly we propose
that [Redacted] ld now be free to interface directly with all offices
except [Redacted]. Later we will request that this final restriction also
be eliminated.

25X1A

It is our opinion that this proposal is consistent with the spirit of our original
agreement and with the very close relationship between your organization and
[Redacted] We trust you concur with our position. We will await word from you
before making any changes in [Redacted] assignments.

Very truly yours,

[Redacted]
